Product Environmental Declaration

Product weights (gram)
Product: CTS-IC-100-PT1000

| Total: 43 | Electronics: 0 | Cover: 0 | Cabling: 22 | Metal: 21 |

Product: CTS-IC-200-PT1000

| Total: 47 | Electronics: 0 | Cover: 0 | Cabling: 22 | Metal: 25 |

Product: CTS-IC-300-PT1000

| Total: 50 | Electronics: 0 | Cover: 0 | Cabling: 22 | Metal: 28 |

Major component materials in the product:

Cover: n/a
Printed circuit board: n/A
Electronic components: RoHS compliant
Cabling: No halogens
Terminals: n/a
Fasteners (screws, washers etc.): n/a
Other metal parts: Stainless steel, brass, nickel plated brass

---

Environmental impact during manufacturing:

There are no harmful chemicals used in manufacturing.
There is no documented information on energy consumption for the manufacturing process.

Environmental impact during operation:

There are no known environmental effects of the product in use.

Recommended handling of the product at end-of-life:

The product shall be disposed of in accordance with European WEEE directive. The product is marked with "Wheelie Bin" logo to indicate this requirement.
