

Product Environmental Declaration

Product: CPS-D-MB

Product weights (gram)

Total: 98 \_\_\_\_\_ Electronics: 28 \_\_\_\_\_ Cover: 70 \_\_\_\_\_

**Major component materials in the product:**

Cover: PC

Printed circuit board: FR4

Electronic components: RoHS compliant

Terminals: Polyamide and copper alloy

Fasteners (screws, washers etc.): n/a

**Environmental impact during manufacturing:**

There are no harmful chemicals used in manufacturing.

There is no documented information on energy consumption for the manufacturing process.

**Environmental impact during operation:**

There are no known environmental effects of the product in use.

**Recommended handling of the product at end-of-life:**

The product shall be disposed of in accordance with European WEEE directive. The product is marked with "Wheelie Bin" logo to indicate this requirement.

**Other issues:**
